### The Town of Snover

Geo. McIntyre, Dick Windsor, Fred Mathews and J. A. Menzies autoed to Snover Monday and spent the day pleasantly in looking over the place. Snover is a town of about five hundred inhabitants, located on the D. B. C. & W. railway, about 10 miles north west of Sandusky. It has a number of well equipped business places, such as general merchandise, implement ware-houses, drug store, hardware stores, coal and cement, harness shop, furniture store, meat market, liveries, garages, two elevators, beaneries, hay sheds, lumber yard, creamery, a bank, barber shop, billiard room, millinery, blacksmith and woodworking shops besides many other business places. A hotel is much needed in this hustling town and a movement is on foot to organize a stock company and erect a modern building. The subdivisions have lately been added and the citizens live in hopes of the place being incorporated within a year. In making this little write-up of Snover we must not overlook the Free Press, an enterprising newspaper, that is published weekly, advocating the advantages of their bustling little burg as a place for business and a desirable residence town. We might say a whole lot more good things about Snover, but time and space forbids.

### Cochrane's Red Tag Sale

C. S. Cochrane will start his red tag sale on Saturday, Oct. 16, and continue it for 3 weeks. This sale is an annual event and carries with it a money saving for the purchaser. The goods offered are all staple articles and includes nearly everything in his large and varied stock of merchandise. If you are in need of goods for winter wear you are sure to find exceptional bargains at this store. In this issue of the Expressor will be found a two-page advertisement with a complete list of bargain prices. Be sure and read it carefully and make your purchases early while the stock is full and complete.

### Marlette Wins Easily

Friday's foot ball game at City Park was an easy victory for the Marlette High School team. Our boys didn't have a ghost of a show to win. The visiting bunch was far too heavy for the Yale team, and did pretty much as they wanted to all the time. The score was 35 to 0 and the only thing we were surprised at was that the visitors didn't pile up a much larger count as they were so much heavier than our boys and have played together for a number of years. Yale plays at Cass City Friday.

### The High School Tattler

HELEN FARLEY, Editor.  
GRADE NOTES

The third grade has the flag this week. Florence Shoefelt has entered the first grade. Donna Caldwell has been absent from the second grade on account of the mumps. Miss Wood has been unable to teach this week because of a slight attack of appendicitis.

### HIGH SCHOOL NOTES

Miss Buck's sister visited in the High room on Monday. Everyone is invited to attend the first program on Friday, Oct. 18. The German 1 people are endeavoring not to forget "Vergissmeinnicht." The foot ball team goes to Cass City on Friday, October 15. A fine game is expected. Miss Ritchie's rhetorical division was organized Monday. Vernon Donneworth was elected president. Every member of the American History class is supposed to contribute one current event each week.

We have now discovered why Mr. Reynolds was so anxious to have the grade teachers invited to the corn-roast. Weather conditions being unfavorable, the corn roast, first event to boost the High School spirit, was postponed from Friday until Monday night. Everyone had a fine time.

Hazel—"What's a characteristic of a Sophomore?"  
Thelma—"Dignity."  
Marie—"Why, no; it's just the opposite of dignity. What is the opposite of it, anyway?"  
Hazel—"A Senior."

Have you ever stopped to think what would happen  
If Vernon Donneworth forgot his looking glass?  
If Bertha should sit still two minutes in succession?  
If Willard should get to school on time?

If the boys would all remember foot ball practice?  
If we had beaten Marlette?  
If all the boys should tip their caps?

If we should lose Matty?  
Have you ever noticed  
Roy's love of arguing?  
Muriel's booming voice?  
Donald's fondness for dimples?  
Miss Chase's popularity?  
Lance's love of gum?

Cheer up! Go see Charlie Chaplin at the Princess Theatre, Tuesday, October 19.

**HOUSEHOLD BOGIES**

in the guise of Grocer, Butcher, Coal, Gas, Electric Bills, etc., cause no worry to the woman who knows how to handle her finances.

Her system gives her an accurate record of her receipts and expenditures. It enables her to know where she stands.

To have system in the home affairs, a woman should have a bank account.

It gives her standing in the community; makes her a desirable customer whom merchants strive to favor. It enables her to practice the little economies that add up surprisingly large at the end of the year.

Let us show you what an account here can accomplish for you in keeping the household affairs straight, protecting your income and relieving you of worry.
